Leigh,

Thanks for the quick response. However, I believe there was a miscommunication – we would like to extend the response due date to 10/11/2024, which would make the decision due date 10/25/2024. Please confirm, thank you.

Logan,

The decision due date for TR-12 has been extended to 10/11/2024, per your request.

As discussed, this will require American Gypsum's response to be submitted to DRMS by 9/27/2024, to allow sufficient time for review.
