**Re: Fort Lupton Sand and Gravel Mine, Permit No. M1999120
Annual Groundwater Monitoring Data (January 2023-April 2024) Acceptance**

Dear Ms. Shults,

On May 31, 2024, the Division of Reclamation, Mining and Safety (Division/DRMS) received the annual groundwater monitoring data submitted by L.G. Everist, Inc.

Per the approved Groundwater Monitoring Plan in Amendment 2 (2012), the Operator is required to sample internal and external groundwater monitoring wells and submit the monitoring data along with a summary which includes trigger points, investigations, and any needed mitigation analysis or plans in the Fort Lupton Sand and Gravel mine's annual report. The Division reviewed and accepts the groundwater level data submitted for the period of January 2023-August 2024.
