Good Morning Mr. Bishop,

Pending weather and/or mechanical issues, we are scheduling to put the next shot #14 off on October 10th, 2024 between the permit hours of 8 am to 3 pm. I am estimating that this blast will be shot at approximately 1 pm. I will be contacting you an hour before the blast so that you can prepare. Should anyone have questions, please contact me to discuss.

Wayne Stoughton
