Mr. Girardi,

Thank you for your time today visiting the Korwell Topsoil Farm.

Upon our conversation and focus on a go forward plan- please retract Korwell's earlier request regarding M2022034.

We will re-submit an Amendment to our 112 Permit to revise the reclamation plan to Industrial Use-

Please let me know if you have any question-

Best Regards,

Thanks Mr. Rasmuson, and just to verify- you're requesting to retract the following 3 previously submitted items:

- 1) Technical Revision (TR1)
- 2) Acreage Reduction (AR1)
- 3) Surety Reduction (SR1)

Thanks,

Chris Girardi

Yes, that is correct.

Much appreciated-

We will submit an Amendment to the REclamation plan for the above referenced permit as far as future use-

That request will be forthcoming-
