RE: Sokol Pit – M-1980-193
Technical Revision – Request for Intermittent Status

Dear Ms. Ridley:

In response to your inspection report dated October 10, 2024, Rocky Mountain Materials submits the attached Technical Revision Application for Intermittent Status for permit M-1980-193.

Mining activities are expected to occur each year at this site with extraction continuing in the currently disturbed areas, but for less than 180 total days each year.

Please let me know if you have any questions or need any additional information.

Sincerely,

Phillip J. Courtney
Land Manager
