**Notice of Intent to Conduct Mineral Prospecting**

Dear Martin Jensen:

The Division of Reclamation, Mining and Safety received your Notice of Intent to Conduct Mineral Prospecting (NOI). Our initial review indicates that, as of October 17, 2024, you have satisfied the minimum requirements of the Act and the Rules to begin the review process.

Pursuant to Rule 5.1.3(a) of the Hard Rock/Metal Mining Rules and Regulations, the Division will conduct an in depth review of your notice. You will receive notice of any deficiencies or requests for additional information from the Division within twenty (20) working days, on or before October 29, 2024. The Division will also notify you, within twenty days, if the review indicates the proposed operations are considered to be mining, rather than exploration or prospecting.

The Division has accepted the \$2000 bond provided. You will be notified if additional financial warranty is required.

If you have any questions, please contact me by telephone at (970) 210-1272, or by email at Amy.yeldell@state.co.us.
