**Re: Letter of Monitoring Compliance, Third (3rd) Quarter 2024 Groundwater Level Report,
NCCI Pit #1 Pit, Permit No. M-2001-107**

Dear Mr. Zadel:

On October 16, 2024, the Division of Reclamation, Mining and Safety (Division/DRMS) received the last of your responses to the Division's letter (October 2, 2024) requesting additional information regarding the 3rd Quarter 2024 groundwater level report. Upon review of the responses the Division has no additional comments on the report.

As part of the approval of TR-9 the Operator committed to submitting monthly water levels at the end of each quarter.

If you need additional information or have any questions, please contact me by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
