Re: Reason to Believe a Violation Exists and Notice of Board Hearing;  
Alamosa Pit No. 2; File No. M-1983-175

Dear Sir or Madam:

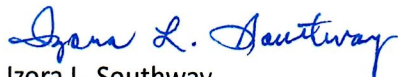

In response to your letter dated 10/10/2024, Southwest Ready Mix, Inc. would like to request an extension to analyze the documents, bond calculation, and violations. In addition, we would also like to request a complete copy of the DRMS electronic records for the site. We have downloaded the files available online but are concerned that they may not represent a complete record.

Lewicki & Associates are hereby authorized to represent Southwest Ready Mix, Inc. regarding this matter. At this time, we are requesting a continuation of the Formal Public Hearing currently scheduled for November 13-14, 2024.

Sincerely,

Alonzo Salazar  
Vice President
