Re: M-1990114

Noland Gulch Pit

Annual Fee \$791.00

To Whom It May Concern:

From October 27, 2023, through October 23, 2024, approximately 9,492 tons of red granite, 852 tons of pit run, and 420 tons of gravel material have been removed from this pit for use on county roads.

No reclamation has taken place at this pit and no new reclamation is planned for the 2024/2025 anniversary year.

New disturbances in this pit will be ongoing through the end of this year and into next year at various times without any specific schedule. Material is removed from this pit on an as needed basis.

Thank you,
