**Re: Decision Date Extension Request #2 for 112c Construction Materials Reclamation
Permit Application, Marcovich Mining Resource - Permit No. M-2024-034**

Ms. Gagnon:

Asphalt Specialties Co., Inc. (ASCI) would like to request an extension to the current 112c Construction Materials Reclamation Permit Application decision date from October 31, 2024 to **December 6, 2024** for ASCI's Marcovich Mining Resource - Permit No. M-2024-034. The extension is necessary to address concerns identified in the DRMS Adequacy Review #2 letter dated October 25, 2024, and to allow the Division sufficient time to review. ASCI anticipates submitting adequacy responses to the Division the week of November 4th, 2024.

Please contact me at 720-322-7055 or GregG@asphaltspecialties.com should you have any questions.

Sincerely,
