Re: Ragsdale Reservoirs, Permit No. M2020007
2024 Annual Groundwater Monitoring Data Acceptance

Dear Ms. Shults,

On October 14, 2024, the Division of Reclamation, Mining and Safety (Division/DRMS) received the annual groundwater monitoring data submitted by L.G. Everist, Inc.

Per the approved Groundwater Monitoring Plan in Exhibit G of the application, the Operator is required to sample groundwater monitoring wells monthly and submit the monitoring data along with a summary with the mine's annual report. The Division reviewed and accepts the groundwater level data collected through September 2024.
