**RE: Hayden Gulch Loadout, Permit No. C-1992-081
Minor Revision 28 (MR28)
Adequacy Review No. 1**

Ms. Kawcak,

The Colorado Division of Reclamation, Mining and Safety (Division) received your MR 28 application for the Hayden Gulch Loadout, C-1992-081, on November 14, 2024 and the application was deemed complete for purposes of filing on November 15, 2024. The Division finished its review of the application and has the following questions:

- 1) In Tab 03 Adjudication Files of the permit, Rule 2.03.10 Identification of Other Licenses and Permits, page 3-6 needs to be updated to show the recently updated CPDES Permit information.

This letter shall not be construed to mean that there are no other technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items. The Division's proposed decision date for this revision is currently set for November 25, 2024. If you have any questions, you may contact me by telephone at 720-774-0040 or by email at brock.bowles@state.co.us.

Sincerely,

Brock Bowles
Environmental Protection Specialist
