**Re: Additional Information Required, Groundwater Monitoring Data 2024,
Longmont Operation, Permit No. M-1994-027**

Dear Mr. Peart:

On November 11, 2024, the Division of Reclamation, Mining and Safety (Division/DRMS) received your Groundwater Level Data for the Longmont Operation. After review of the submission the Division has additional items that need to be addressed or clarified.

1. Please update the graph to indicate which series corresponds to which well.
2. Please provide a monitoring well location map.

Please respond to these items within 30 days of the date on this letter, by **December 19, 2024**. The Division reserves the right to further supplement this document with additional items and details as necessary.

If you need additional information or have any questions, please contact me by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
