**Re: Additional Information Required, Annual Groundwater Level Data for 2024,
Goose Haven Reservoir #2 – Complex Expansion, Permit No. M-2010-071**

Dear Ms. Asquith:

On November 15, 2024, the Division of Reclamation, Mining and Safety (Division/DRMS) received the Annual Groundwater Level Data for 2024 for the Goose Haven Reservoir #2 – Complex Expansion. After review of the submission the Division has additional items that need to be addressed or clarified.

1. Please provide an explanation for the missing water level data for P-3, P-6, and P-7.
2. Please update the water level data table to include a column that compares the measured water level with the approved mitigation trigger values for each location.

Please respond to these items within 30 days of the date on this letter, by **December 19, 2024**. The Division reserves the right to further supplement this document with additional items and details as necessary.

If you need additional information or have any questions, please contact me by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
