Hello, All -

Please see the attached letter.

Basil and Ryan, I hope your trip home yesterday was uneventful. Safe travels to you too, Tamme.

If we do not talk again, have a safe and enjoyable Thanksgiving.

Rob

**RE: Bowie No. 2 Mine, C-1996-083, Proposed Bond Adjustment
SI-03, Results of Informal Conference**

Dear Mr. Bear:

I'd like to thank you, Ryan Wilson, and Art Etter for attending the informal conference for the proposed bond adjustment (SI-03) on November 20, 2024 at the Division offices. I believe that it was a productive meeting. I hope you agree.

As discussed, the Division would like you to send your list of potential revisions to our cost estimate in a letter to me. We understand that Ryan and Art are very busy with another mine in Utah, and the holidays are approaching, therefore we do not expect you to send this to us in 2024. However, the Division does not want to wait too long, because we want to ensure that BRL is sufficiently bonded for this site. As discussed in the meeting, we would like to receive this list no later than January 15, 2025.

As always, if you have any questions, feel free to contact me at rob.zuber@state.co.us or 720.601.2276.

Sincerely,

Rob Zuber, P.E.
