RE: Trapper Coal Mine SL-25 Bond Release Concurrence

Mr. MacKinnon,

On October 31, 2024, BLM received your email requesting concurrence with the Colorado Division of Reclamation, Mining and Safety (DRMS) proposed decision to approve Phase I Bond Release SL-25 for the Trapper Mine.

After review of the application, findings of compliance, and the proposed decision provided in your email, BLM has no objection to Phase I Bond Release for the areas within Federal coal lease COC00751801 and concurs with the proposed decision.

If you have any questions, please contact Brad Stock, Mining Engineer, Coal & NEL Program Lead at (307) 261-7671 or at bstock@blm.gov.

Sincerely,

Kymm E Gresset
Little Snake Field Office Manager
