

AFFIDAVIT OF POSTING NOTICE SIGNS ON-SITE

STATE OF COLORADO
COUNTY OF MOFFAT

I, Peter Freedman, being duly sworn, depose and state as follows:

I am the owner of AuPt Industries LLC, the Applicant for a "Regular (112) Operation" mining permit with the Colorado Mined Land Reclamation Board, regarding the proposed mining operation located at West Side Placer.

On 10/6/2024, I posted notice signs on-site at the proposed mine location, in compliance with Rule 1.6.2(1)(b) of the Colorado Mineral Rules for Hard Rock, Metal, and Designated Mining Operations.

The notice signs were of sufficient number and size (at least 11 inches wide by 17 inches high), with appropriate font size to clearly identify the site as the location of a proposed mining operation. These signs included the name, address, and phone number of the Applicant, and stated that AuPt Industries LLC has applied for a "Regular (112) Operation" mining permit with the Colorado Mined Land Reclamation Board. The signs further informed the public that comments regarding the application could be submitted to the Colorado Mined Land Reclamation Office.

The notice signs was posted at the following location

On County Road 88, 1/2 mile south from the junction of County Road 4, located at 40°59'27.87"N, 107°54'7.56"W.

I understand that this affidavit will be filed with the Colorado Mined Land Reclamation Office as part of the application process and hereby affirm that the posting of notice signs has been completed in accordance with the rules.
