Hi Chris

I delivered the revised application pages and Exhibit D – Mining Plan pg 12, C-1, C-7 thru C-10 to both the County Clerk and Board of Commissioners yesterday - attached are the stamped receipts. No one was at the West Greeley Conservation District office yesterday so the above mentioned revised pages are being sent to them via certified mail today. Per our conversation yesterday regarding Platte Valley Conservation District, the complete application is being sent to them via certified mail today. Once we receive the proof of mailing (certified mail cards) I will forward them to you.

Thank you
