**Re: Best Rock Sand & Gravel Pit 1, Permit M-2019-018,
Receipt of Corrective Action Documentation**

Dear Mr. Graff:

The Division received a response to a Compliance Problem cited in the Division's report from the inspection that was conducted on November 14, 2024. The status of the corrective action regarding the cited problem is as follows.

Compliance Problem, Signs and Markers: The mine identification sign does include all necessary information.

This problem is resolved because of a photograph emailed to the Division by Jared Graff on December 6, 2024. The photograph illustrates that the sign now includes all necessary information and complies with Rule 3.1.12(1).
