**Re: Letter of Monitoring Compliance, 2024 Annual Groundwater Monitoring,
Two Rivers Sand, Gravel and Reservoir Project, Permit No. M-2022-013**

Dear Mr. Varra:

On November 26, 2024, the Division of Reclamation, Mining and Safety (Division/DRMS) received your responses to the Division's letter dated October 31, 2024, for the Two Rivers Sand, Gravel and Reservoir Project, permit no. M-2022-013. Upon review of the submittal the Division has no additional comments.

The Operator has committed to providing an annual report to the Division with all monitoring well data with the annual report.

If you need additional information or have any questions, please contact me by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
