**RE: Nissen Farm Resource, Permit No. M-2003-001, Amendment 1, Decision Due Date Extension
Request Approval**

Dear Mr. Bolduc:

On December 9, 2024, the Division of Reclamation Mining and Safety (Division) received your request to extend the decision due date for the Nissen Farm Resource amendment application (AM1), which was filed with the Division on October 21, 2024. The Division is approving the 62-day extension request. The decision due date for permit application M-2003-001 has been set for **March 21, 2025**.

Please submit responses to adequacy review #1 as soon as possible in order to allow the Division sufficient time for review. If any adequacy issues remain by the decision due date the Division may deny the application.

If you require additional information, or have questions or concerns, please feel free to contact me.

Sincerely,

Nikie Gagnon
