Hello, All -

Please see the attached review letter. Please try to send a formal response in the next couple months. If it helps, we can discuss some of the items in this letter before you send the response.

You will also note that I am asking you to submit an MR or TR, as necessary. Note that Rule 1.04(136) states that if the monitoring requirements are reduced, then a TR is required (not just an MR).

Thanks,
Rob
