RE: Application M-2024-054
Deadline Extension Request

Dear Ursula,

I would like to request a 60-day extension to submit all necessary documents for the above-mentioned application. I would like to ask that the deadline of December 24, 2024 be extended until February 22, 2025. I anticipate that all the documents will be submitted sooner than this date but would like to have the extra time due to the holidays and the end of the year.

Please let me know your decision and I thank you for your consideration.

Sincerely,

Sheila Nordyke
