Notification***

Dear Mr. Wagner:

On July 31, 2024, the Division of Reclamation, Mining and Safety (Division) approved your Technical Revision request TR-7 for the Mid-Continent LST, Permit No. M-1982-121. Upon completion of the rock berm RMI, was to provide written notification and documentation of such. On December 16, 2024, the Division received the required notification and documentation that the rock fall berm approved under TR-7 has been completed.

If you require additional information, or have questions or concerns, please feel free to contact me.

Sincerely,
