Thank you Chris.

During your visit, one issues you highlighted was a lack of visible sign. Please see attached picture of the DRMS signage located at the mine entrance.

Best,

Brady

Good morning Brady,

We successfully received the annual fee, report, and map. I may reach out in the coming week(s) for assistance and questions regarding the mining plan, as I need to submit the October 2024 inspection report and updated cost estimate.

Thanks,
Chris
