**Re: Surety Reduction Request SR-1, Notice of Pending Approval  
Raindance Reservoir #2, Permit No. M-2021-049**

Dear Mr. Lind:

On December 27, 2024, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) approved the request for a surety reduction (SR-1) at the Raindance Reservoir #2, M2021-049 to \$395,391.00. This decision reduces the amount of the financial warranty and does not approve any release of reclamation responsibility for the tasks associated with this request. Please provide a rider to the current Financial Warranty or submit a new Financial Warranty reflecting this reduction. If you wish to submit a different type of Financial Warranty, please contact our office for the applicable form.

In accordance with Rule 4.17.2(5), the Division is required to wait thirty (30) days from the approval date to allow for appeal of the Division's decision. Once this period closes and no appeal has been submitted the decision will be final.

Please contact Patrick Lennberg (720) 665-0836 or email at [patrick.lennberg@state.co.us](mailto:patrick.lennberg@state.co.us) if you have any questions.

Sincerely,

Patrick Lennberg  
Environmental Protection Specialist
