Rob –We would like to request an extension to January 31st for the TR submittal for the Sprague Stone Quarry. We had the stie flow and surveyed to generate new maps, this has resulted in a need for more time to process that data. Thanks for your help on this matter.

Thanks, Jason. I will update our system to reflect 1/31/2025 as the new decision date for TR-01.

I look forward to seeing your new plans.
