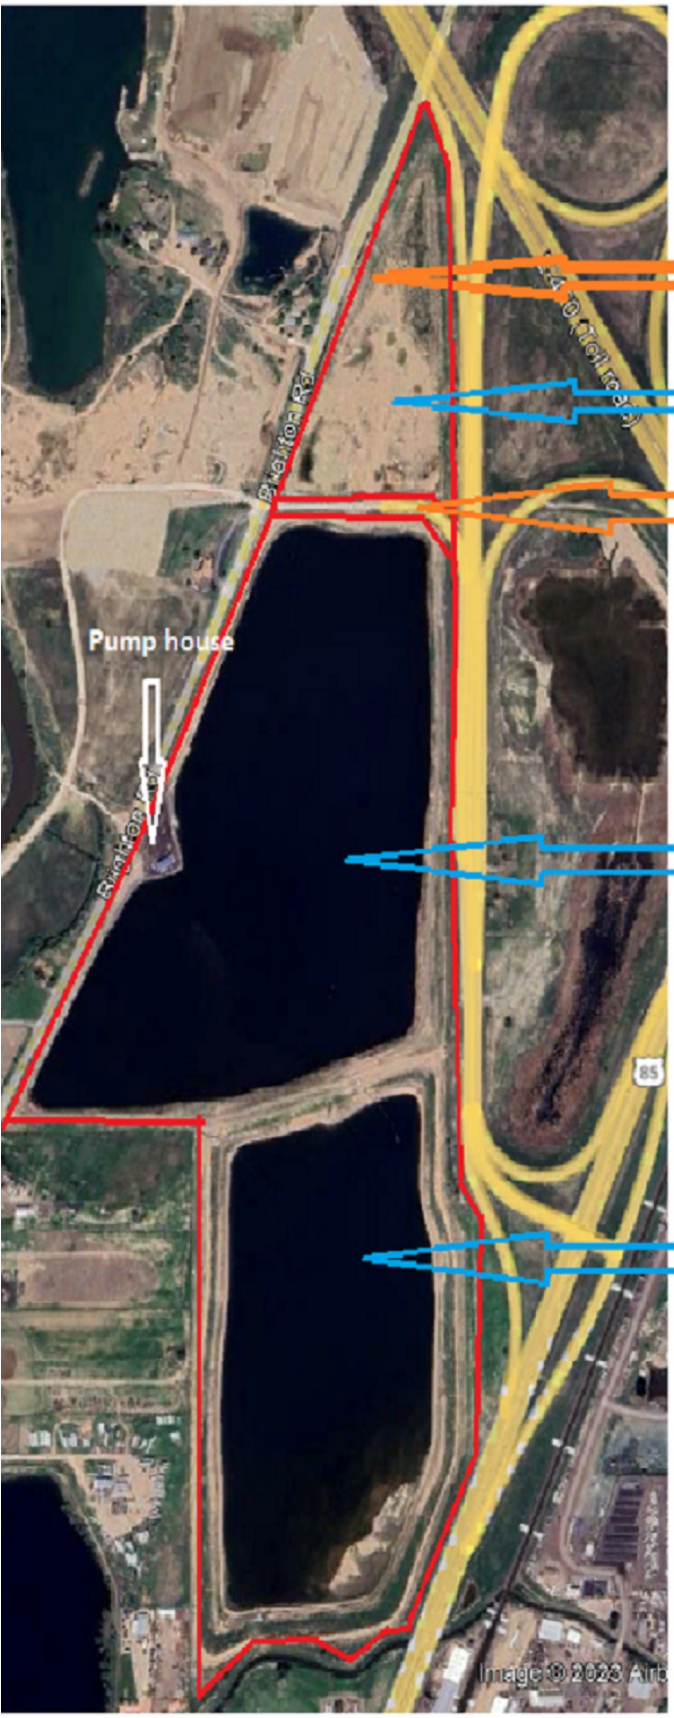
ANNUAL REPORT MAP: M1980-183



Permit boundary and affected area.

Topsoil stockpile

Worthing property (16.3 acres initial reclamation)

132nd Ave. alignment excluded from affected area.

North Cell Reservoir (reclamation near completion)

South Cell Reservoir (fully reclaimed)

Note on weed control: No infestations observed; routine mowing used to control occasional noxious weeds.

Notes: Topsoil for reclamation is no longer needed in water development (South and North Cell areas).
