Chris,

Happy New Year! Working on picking this up and getting the remaining documents submitted. Attached is a copy of the Sign posted at the property. Does this suffice for the requirement on document from the inspection?

If so, would the attached photo count as taking care of the requirement to submit the photo?

Best Regards,

Trent Korby

Good morning,

Attached to this email is the Division's Inspection Report for the inspection conducted on October 10, 2024.

A hard copy will not be mailed unless requested.

Please feel free to contact me if you have any questions or concerns.

Thanks,

Chris
