**Re: Tri-County Gravel, Permit M-1977-205,
Initial Adequacy for TR-06**

Dear Mr. Burkey:

The Division received the submittal of TR-06 on January 15, 2025. We have one preliminary adequacy item before we can complete a more thorough review. It appears that references to Pit 2 and Pit 3 in some of the revised exhibits are incorrect. One example of this is on page E-2, Table E-2. Pit 3 will be mined before Pit 2. Another apparent example is page L-1; it appears that Pit 3 is referred to as Pit 2.

Please revise all errors of references to pit names throughout the exhibits submitted for TR-06 and submit the revised pages as a response to this adequacy letter.

If you have any questions, please contact me at Rob.Zuber@state.co.us or by calling (720) 601-2276.

Thank you,

Robert D. Zuber, P.E.
Environmental Protection Specialist
