Re: Surety Increase (SI-1), Bachus Pit, Permit No. M-1995-034

Mr. Absmeier:

On January 28, 2025, the Division of Reclamation, Mining and Safety (Division/DRMS) increased the required surety for this permit to \$35,286 in accordance with Rule 4.2.1. This increase in required surety is based on the September 2024 Inspection. The Division currently holds a Financial Warranty in the amount of \$24,002. Therefore, the resultant surety increase amount is \$11,284.

On this date, the Division orders amendment of the current financial warranty or submittal of a new financial warranty reflecting the surety increase within 60 days from January 28, 2025.

Please make arrangements with Sara M. Stevenson-Benn at the Division's Denver office for submittal of the financial warranty. Any other questions regarding completion, execution and/or submittal of the financial warranty forms should be directed to Sara M. Stevenson-Benn by telephone at (303) 866-3567, or by email at sara.stevenson-benn@state.co.us

The Permittee for this site may be scheduled for a formal board hearing for a possible violation if the surety increase is not provided in full.

Current Financial Warranty Held:	\$24,002.00
Prior Reclamation Liability Amount:	\$24,002.00
Revised Reclamation Liability Amount:	\$35,286.00
Change in Reclamation Liability Amount:	\$11,284.00

If you have any questions, please contact me by email at chris.girardi@state.co.us.

Sincerely,

Chris Girardi
