**RE: Timnath Pit - File No. M-1989-056, Acreage Release Request (AR-1)
Second Incompleteness Letter**

Dear Mr. Havens:

On January 27, 2025, the Division of Reclamation, Mining and Safety received your AR-01 application for the Timnath Pit. As described in my letter yesterday, a preliminary review of the application determined that the application is incomplete. In addition to the items noted in my previous letter, the **application needs to list the owner(s) of all parcels related to this Acreage Reduction application**. It is the Division's understanding that the area in question is not owned by MacAtee Construction Company. This is based on a search of parcels on the Larimer County website.

You have thirty (30) days from January 27, 2025 to submit all necessary documents that the Division needs for the application to be considered filed. If, at the end of the 30-day period, the application has not been determined to be complete and filed, the Division may deny the application and terminate the application file.

If you have any questions, please contact me by telephone at (720) 601-2276, or by email at Rob.zuber@state.co.us.

Sincerely,

Robert D. Zuber, P.E.
