**Re: Decision Date Extension Request #1 for 112c Construction Materials Reclamation
Permit Application, Evans Mining Resource - Permit No. M-2024-056**

Ms. Gagnon:

Asphalt Specialties Co., Inc. (ASCI) would like to request an extension to the current 112c Construction Materials Reclamation Permit Application decision date from February 17, 2025 to **March 14, 2025** for ASCI's Evans Mining Resource - Permit No. M-2024-056. The extension is necessary to address concerns identified in the DRMS Adequacy Review #1 letter dated January 10, 2025, and to allow the Division sufficient time to review. ASCI anticipates adequacy responses will be received by the Division the first or second week of February 2025.

Please contact me at 720-322-7055 or GregG@asphaltspecialties.com should you have any questions.

Sincerely,
