**RE: Colorado Moss Rock, Permit No. M-2011-039; October 1, 2024, Inspection Report;
Corrective Action Due Date Extension Request Approval**

Dear Mr. Nick Simpson,

On January 27, 2025, the Division of Reclamation, Mining, and Safety (Division/DRMS) received the request to extend the due date for the corrective action items required by the inspection report issued on October 17, 2024. The request received asks to extend the due date from January 31, 2024, to May 31, 2025. **The Division hereby approves the requests to May 31, 2025. Please be advised that the Division will not extend the due date for this corrective action beyond May 31, 2025.**

Please contact me or the Division with any questions or concerns.
