RE: Butcher Pit M1995-060 Reclamation Schedule

Chris,

Southway Construction Company, Inc. would like to submit the following as the proposed reclamation schedule for the Butcher Pit so that the site can be classified as being in final reclamation.

Spring 2025 - Removal of trash from the site

Fall 2025 - Dirt work to include grading all highwalls to a 3:1 slope

Spring 2026 - Seeding of the site

Please let us know if this timetable is acceptable to the Division.

Thank you,

Jodi Schreiber
