RE: M1973007SG, Technical Revision Application for TR-11- Extension Request-2

Ms. Ridley,

Holcim submits this request to extend the decision date for Technical Revision-11 by 30-days. The new decision date will be March 19, 2025. This will allow for additional time for Holcim to develop responses to the adequacy review provided by the DRMS.

Please let me know if you have any questions.

Thank you,
