Re: Patton Clay Mine, Permit No. M-1998-067, Acreage Reduction Request, Extension of Due Date Approval

Dear Ms. Welte,

On February 4, 2025, the Division of Reclamation, Mining, and Safety (Division/DRMS) received the request to extend the due date by thirty days for materials requested in the January 22nd adequacy letter for the Acreage Reduction Request (AR-1) request for this permit. The extension request. The current due date for the required items for the AR-1 request is February 8, 2025. **The Division hereby approves the request to extend the due date by thirty (30) days to Match 10, 2025. Be advised that if the necessary items are not received by March 10, 2025, the Division must deny the AR-1 request in accordance with Rule 4.17.2.**

If you have any questions or concerns, please contact by email at Jocelyn.carter@state.co.us or by phone at (720) 666-1065.

Sincerely,

Jocelyn Carter
Environmental Protection Specialist
