> Hello Jocelyn,
>
> I have attached Jay and Bryce. This is the legal right to enter attached below. I thought I had given you a hard copy, but must not have:). Anyway, this is the one we showed you at the visit the 27th of December. Please let me know if this works for that document, as well as the 112 we are turning in.

> Also attached is our current sign we looked at last time. I believe you wanted to look into some state license numbers we have on this old sign. Can you let us know what you want on the new sign and I will make it asap. Hope you are well!
