RE: Climax Molybdenum Company, Henderson Mill, Permit No. M-1977-342, Technical Revision No. 37, Groundwater Management Plan Revision Adequacy Review

Dear Ms. Gagnon:

Climax Molybdenum Company (CMC) received comments from the Division for Technical Revision No. 37 to the Henderson Reclamation Permit on February 4, 2025. In order to provide additional time for Henderson to review and respond to the comments, CMC is requesting a 60-day extension which will change the decision date to April 16, 2025.

Please let Henderson know if there is additional information the Division needs to complete this request.

Sincerely,

Ben Bates
Senior Environmental Engineer
Henderson Operations
Climax Molybdenum Company
