

DRMS ANNUAL REPORT

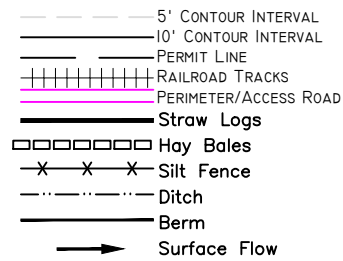

MULE FARM

2025

M-1991-079

The map illustrates the layout of the Mule Farm site. Key features include:

- Undisturbed Area:** A large central region outlined in black, with a dashed line indicating the **80' UNDISTURBED AREA ADJACENT TO RIVER**.
- Stockpile and Staging Area:** A designated area within the undisturbed zone, marked with a dashed line and labeled **STOCKPILE AND STAGING AREA**.
- Topsoil Pile:** A small area near the railroad right of way, labeled **TOPSOIL PILE**.
- Overburden Pile:** A small area near the river, labeled **OVERBURDEN PILE**.
- Ditch:** Two blue lines labeled **Ditch** are shown, one near the railroad right of way and another near the river.
- Berm:** Three red lines labeled **Berm** are shown, separating the stockpile area from the river and the railroad right of way.
- RAILROAD RIGHT OF WAY:** A dashed line with cross-ticks representing the railroad tracks.
- Gunnison River:** A solid line representing the river, with a dashed line indicating the **80' UNDISTURBED AREA ADJACENT TO RIVER**.
- MINING LIMITS:** A dashed line indicating the boundary of the mining operation.
- PERMIT BOUNDARY:** A solid line indicating the boundary of the permit area.
- SCALES:** A small area near the top left, labeled **SCALES**.
- Elevation 500.00:** A point on the left side of the map, labeled **Elevation 500.00**.
