Surety Increase (SI-2)
Inflation Related Surety Update**

Dear Dainae Prejean:

On February 18, 2025 the Division of Reclamation, Mining and Safety increased the current Financial Warranty for this permit to \$6,019,868.00, in accordance with Rule 4.2.1 of the Rules and Regulations. This is an increase of \$1,524,868.00.

During a recent inspection of the Western Aggregates Quarry, it has come to the Division's attention that the bond for this site has not been updated in a significant amount of time. Per Rule 4.2.1, the Division is required to ensure that an adequate financial warranty is held to complete reclamation in total per the reclamation plan provided to the Division.

Please see the January 16, 2025 inspection report for details regarding why this surety increase is required.

On February 18, 2025, the Division ordered amendment of the current Financial Warranty or submittal of a new Financial Warranty reflecting the increase, within 60 days.

Please make arrangements with Sara M. Stevenson-Benn at the Division's Denver office for submittal of the financial warranty. Any other questions regarding completion, execution and/or submittal of financial warranty forms should also be directed to Sara M. Stevenson-Benn by telephone at (303) 866-3567, or by email at Sara.stevenson-benn@state.co.us.

The Permittee for this site may be scheduled for a Formal Board Hearing for possible revocation of the permit if the amount of any increased Financial Warranty has not been provided by April 19, 2025.
