**Technical Revision (TR-2)**  
**Update mining map to remove phases, processing location, move county road, change direction of mining. Also, request to increase HW length to 1500' and max disturbance to 36 acres with at least 10 acres partially reclaimed.**

Dear Frank Leone Jr.:

On November 25, 2024 the Division of Reclamation, Mining and Safety concluded its review of the Technical Revision application submitted to the Division on October 22, 2024, addressing the following:

Update mining map to remove phases, processing location, move county road, change direction of mining. Also, request to increase HW length to 1500' and max disturbance to 36 acres with at least 10 acres partially reclaimed.

The decision reached by the Division is: approve.

The terms of Technical Revision No. 2 approved by the Division are hereby incorporated into Permit No. M-2010-004. All other conditions and requirements of Permit No. M-2010-004 remain in full force and effect.
