RE: Minor Revision #189 – 2025 Nitrogen Holes and Exploration Drilling.

Dear Clayton,

Enclosed is a minor revision (MR-189) requesting the addition of two nitrogen hole locations and three locations for exploration drilling. Roads to access these drill sites are also included within this revision.

The disturbance details needed for bond calculations are included in an attached table.

If you have any further questions please contact me at 970-675-4322.

Sincerely,

Kurtis Blunt
Senior Environmental Engineer
