Good afternoon Chris,

Thank you for sending over this example, we appreciate it. I was wanting to see how I would go about sending a request for more time on this. Adrian and I have had an unexpected emergency and have to go out of state for a funeral next week. Also, we have spoken to our Weed control contact and we are going to have to do some things differently with this Weed control plan. So unfortunately, we are needing to ask for more time in completing this correctly for you. Thank you and please let me know.

Good morning Shawnee,

Attached is an example of a thorough Weed Control Plan that I've been directed to use as an ideal example. Let me know if this helps.

Hi Chris,

I wondered if you have a template or example of what a Weed Management Plan should look like? Thank you.

Hell Shawnee,

Thanks for updating me, you can absolutely take your time. Let's do 2 weeks, so an extension until March 14th. Do you think that is sufficient enough time to submit a revised Weed Management Plan?

Thanks,
