Good day Rob –

I am requesting a 2-week extension for the submittal of the 2024 ARR. Our consultant for the water sampling was out for a medical procedure for a few weeks and is delayed on the water sampling report. Once I get that in hand, I will submit the report.

Please let me know if the Division agrees with the extension.

Thanks – Ben

That is fine, Ben. Please submit the annual reclamation and hydrology reports by March 14, 2025.
