**Re: Decision Date Extension Request #2 for 112c Construction Materials Reclamation
Permit Application, Evans Mining Resource - Permit No. M-2024-056**

Ms. Gagnon:

Asphalt Specialties Co., Inc. (ASCI) would like to request an extension to the current 112c Construction Materials Reclamation Permit Application decision date of March 14, 2025 to **April 30, 2025** for ASCI's Evans Mining Resource - Permit No. M-2024-056. The extension is necessary to address issues identified in the DRMS Adequacy Review #3 letter dated February 25, 2025, and to allow the Division sufficient time to review. ASCI anticipates adequacy issues will be addressed and received by DRMS by mid-April 2025.

Please contact me at 720-322-7055 or GregG@asphaltspecialties.com should you have any questions.

Sincerely,
