RE: Bedrock Mine #1, Permit No. M-1997-086; Technical Revision Application (TR-4), Revise Reclamation Plan, Decision Date Extension Request Approval

Dear Mr. Mueller,

On March 5, 2025, the Division of Reclamation, Mining, and Safety (the Division/DRMS) received the request to extend the decision date by two weeks for the technical revision application (TR-4). The current due date for the TR-4 application is March 5, 2025, **the Division hereby approves the request to extend the decision date by two (2) weeks to March 19, 2025.**

If you have any questions or concerns, please reach out to me at Jocelyn.carter@state.co.us or (720) 666-1065.

Sincerely,

Jocelyn Carter
