**RE: Annual Reclamation Report 2024 (ARR)
Yoast Mine, Permit No. C1994082**

Dear Ms. Kawcak;

Thank you for the timely submission of the Yoast Mine 2024 ARR. The Colorado Division of Reclamation, Mining and Safety has completed its review of the above referenced report and found it adequate. Please see the Division's findings below regarding the report's compliance with the following Rules.

- Rule 2.04.13(1) – The Division received an electronic copy of the 2024 ARR report on 13 February 2025.
 - a. The name and address of the permittee is on the report form.
 - b. For the reporting year zero acres of lands were placed in the Acres Disturbed Category comprising backfill/grading, long term facilities and active mining areas. Active mining is not occurring at the site, and reclamation activities have been completed as permitted.
 - c. For the reporting year zero acres were reported to have been backfilled, graded, or topsoiled.
 - d. For the reporting year zero acres of seeding of affected lands were added to the 9 years and less category and the 10 years of grater category.
 - e. A total of zero acres where bond released in 2024.
 - f. The operator conducted weed control activities throughout the site as summarized in the submitted weed spray logs for 2024.
 - g. Total acres disturbed comprise 850.5. The sum of Backfilling and grading (806.9), active mining (0), and acres in facilities 43.7), equal total acres disturbed (850.6).

This concludes the Division's review of the 2024 ARR. The Division has no concerns.

Sincerely,

Robin Reilley M.S. GISP
