Public Notice of Mining Permit Application

Notice is hereby given that AuPt Industries LLC, located at PO Box #1424, Edwards, Colorado 81632, has filed an application with the Colorado Division of Reclamation, Mining and Safety for a conversion of its current mining permit to a Regular Operation (112) Reclamation Permit.

Project Description : The existing project, known as the West Side Placer, is located in Moffat County, within Township 10 North, Range 94 West, 6th Principal Meridian. The specific parcels include: Section 24, Lot 4 (Northwest quarter, Southwest quarter, and Southeast quarter), totaling three-fourths of Lot 4; Lot 5 (the eastern half); and the entire Lot 9. Situated approximately 20 miles west of Baggs, Wyoming, the site is at an elevation of 6220 feet. The primary land use post-mining is planned as rangeland. The application seeks to convert the current mining permit to allow an expansion of the mining footprint from 9.9 acres to 79.9 acres, significantly increasing the operational scale to accommodate expanded mining activities.

Public Access and Comments: A copy of the application, excluding confidential details, is available for public review at the Moffat County Clerk and Recorder's Office, as required by Rule 1.6.2(2). Public comments or objections may be submitted in writing to the Colorado Division of Reclamation, Mining, and Safety by January 22, 2025. Comments must be received before the closure of the public comment period.

Publication Schedule : This notice will be published in the Craig Press for four consecutive weeks, starting on December 25, 2024.
