Good morning,

Attached to this email is correspondence granting approval to resume material processing activities at the Alamosa Pit No.2/Swift.

A hard copy will also be delivered.

Please feel free to contact me if you have any questions or concerns.

Thanks,

Chris Girardi

Re: Request to Resume Material Processing, Alamosa Pit No.2, Permit No. M-1983-175

Mr. Bottini:

On March 14, 2025, the Division of Reclamation, Mining and Safety (Division/DRMS) received a request to resume the processing of sand at the Alamosa Pit No.2, permit number M-1983-175. The Division hereby approves the request to resume material processing at the Alamosa Pit No.2 while the permit remains under the Cease and Desist Order.

Please note that as per the Conclusions of Law from the Board Order for violation number MV-2024-026, an Amendment Application is due on **July 8, 2025**. If you have any questions, please contact me by email at chris.girardi@state.co.us.

Sincerely,

Chris Girardi
